

BRUSH 4 DIESEL LOCOMOTIVE - R.060
 as produced from January 1976 (Locomotive number D.1520)

Most parts also applicable to R.863 (Locomotive number D.1738).

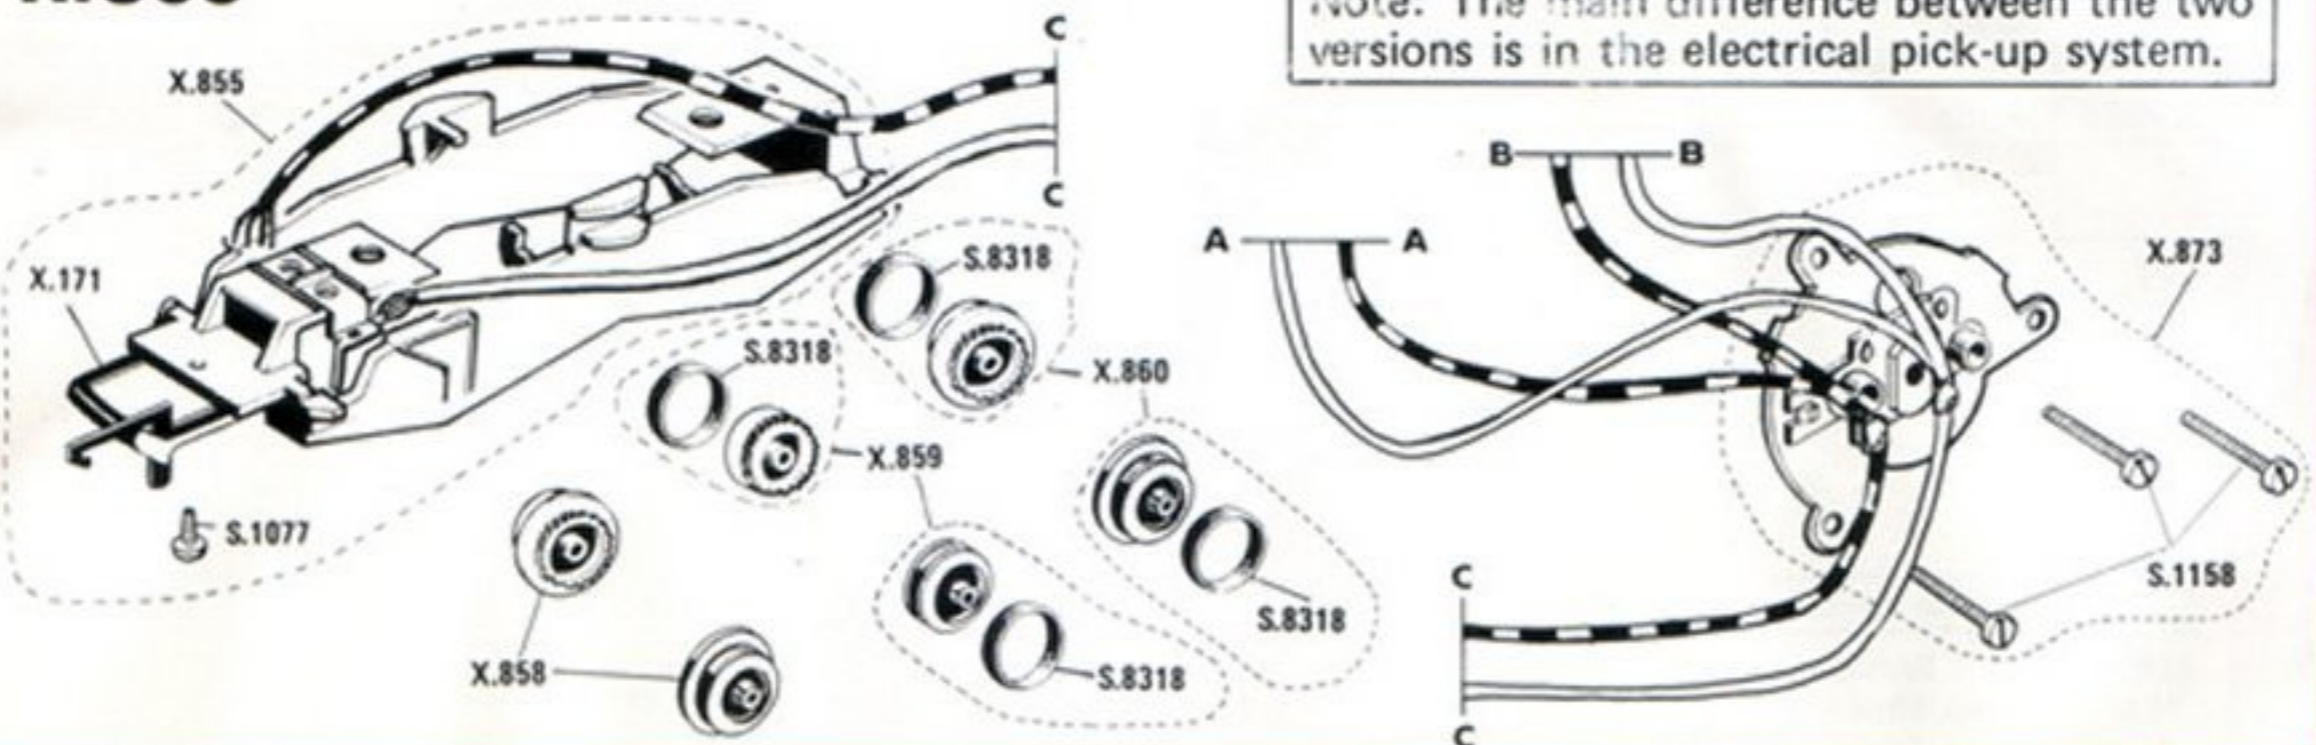

Modifications are made to models from time to time. If a spare part is required which does not coincide with the illustration, a full description should be given and, if necessary, a sketch or sample should accompany the order.

NOTE: Remove centre wheel to take out X.802 Assembly.

R.863

Note: The main difference between the two versions is in the electrical pick-up system.
